

Rtr.Sarhan Bakarman

Pune,MH

sarhanbakarman03@gmail.com• 9146 811380

Aspiring Machine Learning Engineer with a comprehensive foundation in Data Science, currently advancing towards a BTech in Electronics and Computer Engineering. Proven expertise in engineering machine learning models, conducting rigorous data analysis, and deploying scalable data-driven solutions. Seeking a Machine Learning Internship to leverage advanced AI/ML methodologies in addressing complex, real-world challenges.

PROFESSIONAL EXPERIENCE

INDIAN CAREER GUIDANCE COUNSELING (ICGC)

Aurangabad, MH

ML Intern

March 2026 - Present

- Engineered sophisticated machine learning models utilizing diverse real-world datasets to power career and college prediction systems.
- Facilitated the development of a data-centric architecture for student guidance, optimizing academic decision-making through algorithmic insights.

PROJECTS

Crop Recommendation System

- Architected and implemented a robust machine learning framework to identify and recommend optimal crop varieties by analyzing complex environmental and multi-modal datasets.
- Authored technical project documentation encompassing a rigorous literature review, algorithmic methodology, and an evaluative analysis of system performance metrics.

Retrieval-Augmented Generation (RAG) Document Q&A System

- Architected a Retrieval-Augmented Generation (RAG) application enabling the ingestion of high-volume PDF documentation for real-time natural language querying.
- Engineered a robust pipeline for document chunking and vector embeddings, optimizing contextual retrieval accuracy and mitigating Large Language Model (LLM) hallucinations.
- Deployed a scalable solution through an interactive interface, achieving an 80% reduction in information retrieval latency for complex document datasets.

TECHNICAL SKILLS

- Programming Languages:** Python, C, React.js, Node.js
- Knowledge Areas:** Machine Learning, Data Science
- Tools & Technologies:** Git, API Integration

EDUCATION

PES COLLEGE OF ENGINEERING

Ch.Sambhaji Nagar,MH

BTech in Electronic and Computer Engineering (Pre-Final Year)
